

# J-Pod Scavenger Hunt

**Kiki, a young orca, and her mother have been separated from their pod.  
Can you help reunite them with their family?**

Follow **Kiki** and her mom to 10 different locations in Port Townsend.

Along the way you will learn a lot about orcas, and the chance to win a whale watching trip to see orcas in real life.

The first part of **Kiki's** story is in the Visitor Information Center.  
It will tell you where to go next.

Orcas are naturally curious about new environments. You will need to make like an orca and explore each location to find the next part of **Kiki's** story.

Read the story carefully to find the answers you need.

When you have the answer pick up a trading card for each of the J-Pod orcas that you find by showing this answer sheet in each location.

Collect them all to create your own pocket pod, *while supplies last*.

The first two participants to turn in a complete and correct answer sheet will win a whale watching trip! On June 24th all correct answer sheets will be put into a prize drawing to win additional prizes.

**You have until June 23rd to reunite J-Pod and answer all the questions.**

## Rules:

- Visit the 10 locations
- At each stop answer an orca related question and record it on this sheet
- Show your answer sheet to collect J-Pod Trading Cards
- Hand in your complete answer sheet to Puget Sound Express by June 23rd

**Please note:** The participating locations have different opening hours; you may not be able to complete the hunt in one day.

**Good luck!**
